HATHAWAY & AGNEW, Attorneys and Counsellors at Law AT WINAMAC, IND.,

A Rare Chance for Speculation A SUPERIOR FLOURING MILL FOR SALE.—The Fortville Flouring Mill is for sale. This Still has been pronounced by all competent judges who have examined it, superior to any other mill in the State, traing into consideration its size and capacity. It contains all the modern improvements for milling. It will make a barrel of extra Flour out of from rive to ten pounds less of wheat than any mill within forty miles of it—consequently having a great advantage in the purchase of wheat in its own vicinity over other mills.

The country about it is rapidly improving, and White wheat, every way equal to the far-famed Genessee wheat, is almost exclusively raised in the neighborhood.

At this Mill an hundred barrels of flour can be loaded it to a car in less than thirty minutes and sent to Pittsburg, Cleveland or Buffalo, without change of cars, and of course at less cost and damage to the barrel.

During the dry and cold part of the year, which is about six months, when the water mills can do little or nothing, this custom work is very heavy.

There are four run of Stones, three for wheat and one for corn, driven by two twelve inch Engines of Greenleaf's latest and best make. All the work, both wood and iron, has been done with much care and skill, and of the best materials.

If the above described property should not be sold by SUPERIOR FLOURING MILL FOR

ne dest of July next, it will the leave that day.

Any person or persons who may wish to purchase or rent he above property, will address Peter Staats, Sr., or call on him at his residence in Fortville, on the Indianapolis, Pittsburg and Cleveland Railroad, twenty miles from Indianapolis.
